A. LEGAL REQUIREMENTS IN RELATION TO DATA COLLECTION

The Managing Authority responsible for the management of EU Funds in Malta - the Planning and Priorities Coordination Division (PPCD) - is legally required to collect and store data about each participant benefitting from an ESF+ intervention. Personal participant data will be kept internally and will be used to extract statistical information on participants. Participants are to note that only statistical data will be reported to the European Commission.

In this regard, Beneficiaries implementing ESF+ projects have been entrusted with the collection of personal data from all ESF+ participants. The data to be collected through this form and through subsequent forms, surveys, or other means, as applicable, will be used for the sole purpose for which they are intended, that is; (i) keeping record of participants' efforts in the ESF+ funded intervention; and (ii) for evaluation and monitoring purposes in line with Regulation (EU) 2021/1060 (CPR) and 2021/1057 (ESF+ programme specific regulation). Article 4 of Regulation (EU) 2021/1060 (CPR) provides Member States with the legal basis to justify the collection and processing of personal data from participants of ESF+ projects.

The Beneficiary, the Managing Authority and any third parties assigned to carry out monitoring and evaluation activities in line with the requirements set out in the aforementioned EU Regulations, will treat personal data in the strictest confidence and in accordance with the provisions of the General Data Protection Regulation (EU) 2016/679, the Data Protection Act (Chapter 586) and any subsequent updates. Personal participant data will not be used for any other means or for any other purpose that is incompatible with that for which the data is being collected. **Personal data will under no circumstances be made public.**
