

## ICDL Remote Work

### Applying for this course:

To apply for this course, you should have completed compulsory schooling and ideally hold at least an 'O' Level standard of education in order to allow you to follow terminology and course notes with greater facility. In case of any difficulties regarding the entry requirements kindly contact us on [qa.jobsplus@gov.mt](mailto:qa.jobsplus@gov.mt).

### Course Duration

This course is of 6 hours duration and consists of one Module - (including 45-minute assessment)

### General pedagogical guidelines and procedures for this course:

The delivery of this course will be mainly held through a series of practical, hands-on exercises. The trainer will be holding lessons with the learners in a computer lab set-up, which will consist of various discussions and client-specific case studies.

This course can also be delivered online. In such cases, the learner is required to have a working camera and a working microphone.

### General assessment policy and procedures for this course:

The learner will be assessed through an ongoing assessment for learning by way of oral, written or practical exercises that will take place throughout each module, to assess and consolidate the learning being covered. The learners will also be given a mock test prior to the actual assessment.

The final assessment is carried out in one of the computer labs since the assessment needs to be conducted on a PC.

### Module 1 Learning Outcomes- Remote Work

- |   |  |
|---|--|
| <ul style="list-style-type: none"><li>✓ Understand the term remote work and the different models of remote working</li><li>✓ Understand the benefits and challenges of remote work for societies, organisations and workers</li><li>✓ Understand the importance of self-management and teamwork in remote work environments, as well as the key skills for being effective when working independently and in a team</li></ul> | <ul style="list-style-type: none"><li>✓ Recognise the main setup considerations when starting to work remotely, such as health and safety, technical and security requirements</li><li>✓ Identify the main types of tools that support remote work and the key considerations for using them effectively</li></ul> |
|---|--|

### Module Assessment:

A summative assessment will be held at the end of the unit. This will take the form of an online assessment based on multiple choice questions and simulations. This assessment will be on a Pass/Fail basis.

The duration of this assessment is of 45 minutes and the pass mark is that of 75%.
