Course Duration

This course is of 15 hours duration and consists of one Module - (including 2-hour assessment).

General pedagogical guidelines and procedures for this course:

The delivery of this Course will be mainly held through a series of discussions, class work exercises and hands-on training. These will enable learners to practice and consolidate the classroom training. The trainer will also be holding lessons with the learners which will consist of various presentations, including demonstrations.

General assessment policy and procedures for this course:

The assessment will vary from one module to the other. For this module, the learner will be assessed through part written assessment and part delivery of a Presentation. This assessment method gives tutors the opportunity to review and consolidate the learning being covered.
