

PRE-PRESS MACHINE OPERATOR – MQF/EQF LEVEL 2 INFORMATION HANDBOOK

ON

**The process of validation of informal and non-formal
learning for Pre-Press Machine Operators**

The Assessment Board:

The Assessment Board is appointed by the Minister responsible for Jobsplus by means of Article 26 of the Employment and Training Services Act 2018 to ascertain proficiency or competency in a particular occupation.

This handbook describes the competences that candidates need to possess before sitting for the Pre-Press Machine Operator validation process. Successful candidates acquire an *Award as Pre-press Machine Operator* pegged at Level 2 of the Malta Qualifications Framework and the European Qualifications Framework.

Eligibility:

Candidates who are interested in acquiring the *Award as Pre-press Machine Operator* can apply for their knowledge, skills and competences to be assessed, recognised and validated if they possess the necessary competences and skills as defined in this handbook.

The prospective candidate must have **3 years experience** in the respective field. This is in line with S.L. 327.432 of 2012 which regulates the Validation of Informal and Non-formal Learning. The Assessment Board may request a reference letter to confirm the years of experience claimed by the candidate and reserves the right to contact the Institution and/or referee at will.

The Assessment Board is free to contact the Institution and/or referee at will in order to confirm experiences and training claimed by the candidate.

Initial Assessment Plan:

The Assessment Board will conduct an induction session for candidates interested in acquiring the *Award in Pre-press Machine Operator* and review the portfolio and the experience presented to plan the appropriate assessments according to the individual's experience and needs. During the induction session, the candidate is also instructed on how to collect evidence used as a proof of their practical experience.

Evidence sources may include:

- Work Activity
- Witness Testimony
- Health & Safety Documents/ Reports/ Procedures
- Photographic Evidence / Risk Assessments / Instructions
- Work-based confirmation of evidence not observed by assessor.

Assessment Criteria:

The Assessment Criteria for the validation process are based on the National Occupational Standards. Following is an abstract of the list of competences that the candidate must possess prior to applying for the validation process. For further information you can download the National Occupational Standards by clicking [here](#).

PREMO 201: IMPROVEMENT OF INDIVIDUAL PERFORMANCE AT WORK

1. Review the current situation through advice from colleagues and managers at work or from customers.
2. Improve service to customers by ensuring that the service given met the superiors' and customers' needs and expectations.
3. Improve productivity and the quality of work.

PREMO 202: MAINTAIN EQUIPMENT IN WORKING ORDER

1. Follow the manufacturer's instructions to clean own equipment, by using the appropriate cleaning materials, equipment, and methods that are safe whilst avoiding harm to the environment.
2. Replace consumables during scheduled maintenance as well as during normal operations:
3. At the end of cleaning and lubricating, check that the machine is safe to operate.
4. Accurately update records of machine maintenance.
5. Routinely examine machinery for defective components or excessive wear.
6. Accurately identify machine components that need replacing and report accordingly.
7. Accurately identify and report machine faults accordingly.
8. Assist, if necessary, in restoring the machine back to safe operating condition after replacing components.
9. Keep accurate records of the components removed and replaced.

PREMO 203: POSSESS GOOD KNOWLEDGE ON PRINTING MATERIALS; PRESS AND POST-PRESS PROCESSES

1. Understand the different forms of communication technologies (print, electronic and multi-media)
2. Distinguish between the different types of print media used.
3. Distinguish between the range of printing substrates available for printing.
4. Use the appropriate paper according to the paper substance, calliper, size and grain direction.

5. Comply with the processing line from pre-press to post-press in the company and identify the various processes used in the company.
6. Understand the behaviour of screen ruling according to the substrates being printed in relation to dot gain and trapping problems.

PREMO 204: OPERATES PRE-PRESS MACHINES

1. Check the job specifications and identify the plates and materials to be used for the job.
2. Locate and retrieve the correct plates for the job according to the company's procedure.
3. Handle the plates carefully so that damage does not occur to the carriers or to the surfaces.
4. Report problems promptly either relating to machine faults or material supply.
5. Check the absence of risks and take all the precautions necessary to prevent injury.
6. Ensure that the equipment is safe and ready for production and stop the machine in an emergency.
7. Use a computer and the appropriate software to send, receive, or retrieve data files from customers.
8. Assess received artwork files to see if there are any major mistakes including missing or corrupt images, fonts etc.
9. Send or print the approved output file to the destination device to create separations.
10. Check that all the elements of the job appear on the correct separations and rectify any mistakes.
11. Output the approved file via the image or plate-setter.
12. Examine output to check if it matches with job specifications or accepted proof for the job.
13. Identify the person/s who can advise on the job requirements and report back according to company's procedures.
14. Identify or assist to correctly identify processing and mechanical faults.
15. Promptly report faults and give constructive help to colleagues who are correcting faults.
16. Assist to check that the machine is safe to operate once faults are corrected.

Mode of Assessment:

A candidate will be assessed on all the above listed competences. Assessment will be made up from different components, namely:

A. Practical Work

Practical work could be assessed by a task created to simulate the work environment. During the practical test a candidate will be asked to perform a number of tasks in line with the assessment criteria. Assessment can either be held in a simulated workshop or on site. Information on the assessment venue will be provided by Jobsplus prior to the assessment. Multiple sessions might need to be scheduled.

B. Knowledge and Understanding

Candidates will be assessed on knowledge and understanding orally during an interview and/ or in writing through a written test paper.

C. Interview to verify product evidence and supplementary evidence

During the interview the Board will continue assessing candidates in relation to their knowledge, skills and competences in the respective occupation. Candidates are encouraged to present photographic evidence, workbooks or logbooks to illustrate their work.

To successfully pass from the assessment, candidates need to proof their competences in all enlisted criteria as defined in the National Occupational Standards. Following assessment candidates will receive a formal result slip issued by Jobsplus in collaboration with MFHEA. The result slip will indicate whether the candidate has obtained a Pass or a Fail in all criteria. Nonetheless persons who fail any of these criteria will have the possibility to sit for a re-sit.

Resits:

Candidates who do not pass from any of the enlisted criteria will be guided for further development in the failed criterion/criteria.

The areas of further development may include:

- Health & Safety Course (Safety Card)
- MCAST / Jobsplus Training Programmes
- On-Site Training
- Evidence of Training

The failed criterion/criteria will be communicated in the result slip issued by Jobsplus. Date, time and venue of re-sit would be communicated to the candidate by Jobsplus. The candidate will be guided by the Assessment Board with respect to the areas for improvement prior to the re-sit.

Appeals:

Candidates who fail the assessment and wish to contest the decision taken by the Assessment Board can submit a formal request for further feedback to Jobsplus. An appeal can be lodged within 10 working days from the result slip issued by Jobsplus. In the eventuality that the candidate's final result is changed following the appeal, a new result will supersede the previous one.
