

LETTER CIRCULAR- SECOND CALL FOR APPLICATIONS:

TEACHERS of Maltese and Physics for the SEC Preventive Classes – Summer 2026

In the framework of the Youth Guarantee Project 3.0, and in relation to the **Revision Classes** for students who will be sitting for the **SEC resit examinations starting on the 27th August 2026**, the Youth Guarantee Office is hereby issuing this circular regarding the **call for teachers Maltese and Physics**, or Heads of Department interested in delivering these Revision Classes.

APPLICATION PROCESS

Please note:

The application form will be relaunched for a limited timeframe on Monday 13th July 2026 12:30 and closes on Thursday 16th July 2026 at Noon.

The link to the application form is [Teachers' Expression of Interest for the SEC revision Classes 2026](#)

1. Applicants will be able to submit the necessary documentation as indicated below directly through the application form by not later than Thursday 16th July 2026 at Noon. In case of any queries kindly send an email on revisionclasses@gov.mt. No applications will be accepted if sent via email.
2. If there are any withdrawals from applications, Jobsplus may choose to fill the open positions by considering other eligible candidates.

REQUIRED DOCUMENTATION

1. Copy of Warrant

2. An Email / Letter from the Head of School

The email from the Head should:

1. Specify the **total number of teaching years** (e.g. Mr Mark Borg has been teaching for five years).
2. Confirm that the **teacher has experience teaching the subject applied for** (e.g. I confirm Mr Mark Borg has been teaching Physics for the past two years).

SELECTION CRITERIA

Teachers will be ranked according to the following criteria:

1. ***Time of application - 30 points***
2. ***Total number of teaching years - 40 points***
3. ***Previous experience working on the SEC Preventive Classes Project (total number of years) – 30 points***

DETAILS ABOUT THE SEC REVISION CLASSES

- The Revision Classes 2026 are expected to start approximately on the 22nd July 2026 and shall run for 5 weeks.
- Lessons will be held in air-conditioned classes at MCAST Mosta, MCAST Paola and Lifelong Learning Centre Msida.
- Lessons scheduled for the 15th August (Public Holiday) and any final lessons which may conflict with re-sit exams should be replaced accordingly throughout the course of the lessons at a date and time in agreement with students and centers Officers in Charge.
- Teachers' will be expected to deliver classes from the allocated centers.
- The Revision classes will take place in the subjects referred to above (Physics and Maltese) with class sizes of an average of 20 **registered students**.
- Teachers will be required to provide tuition and additional learning resources based on the updated curriculum for SEC exams for 2026 to students depending on the groups they are assigned.
- Each group will receive a minimum of **six (6) hours** tuition per subject, per week for **five (5) weeks**.
- **Teachers will be remunerated at the rate of €15.00 for every hour of work. Note: For every hour of teaching time, teachers will be remunerated for an hour equivalent amount of preparation/correction time.**
- Teachers or Heads of Department from the State and Non-State sectors who are *qualified, warranted, and are currently teaching Physics/Maltese* are also eligible to apply.
- The selected candidates are ranked according to our selection criteria.

**Co-funded by
the European Union**
