Module 1 Assessment:

The learner will be assessed through an ongoing assessment by way of oral, written and practical exercises that will take place throughout the course. At the end of the course the learner will be assessed through a written assessment.

Assessment

- Ongoing Assessment - 40%
- Written assessment - 60%

Ongoing Assessment: 40% of the global mark – class participation and class activities consisting of grammar exercises/role plays/gap filling exercises / listening exercises / reading and writing exercises.

Written Assessment: 60% of the global mark – the paper will be divided into two sections. The first part will consist of grammar exercises where the learner's grammar skills are assessed whilst the second part will consist of a short writing task such as task description. Grammar as well as sentence cohesion and lexis will be tested.

The final mark will be a combination of both marks obtained in the speaking and writing assessment.
Pass mark is 45%.

The Malta Further and Higher Education Authority (MFHEA) deems this certificate to be at Level 2 of the Malta Qualifications Framework and the European Qualifications Framework for Lifelong Learning. This course comprises study modules to which a total of 3 ECTS points are assigned.
