Work Exposure Scheme *Summer Students*

Guidelines for Work Exposure Providers

Version 3.0 | Released 19 March 2026

The Work Exposure Scheme facilitates the transition into employment by providing jobseekers with initial hands-on training and workplace experience to help them acquire the skills needed to find and retain employment. Co-financed by the European Social Fund Plus (ESF+) under the Training for Employment Project (ESF+.01.195), it matches the job preferences of participants with employers' requests, reflecting current labour market needs.

Co-funded by
the European Union

About the Scheme

Q What is the Work Exposure Scheme?

The scheme is designed to help jobseekers move into employment by giving them real, hands-on work experience that will help them obtain the knowledge, skills and competences required to find and secure employment, and to assist employers in finding and training potential employees.

Q What is the added value for me as an employer?

Through this scheme you can train potential future employees and evaluate their performance on real tasks. This gives you the opportunity to assess their suitability and consider retaining them as permanent members of staff once the placement ends.

Q How many times can I take part?

The Work Exposure Scheme forms part of an EU funded project that will close in 2029. During this period, you may participate an unlimited number of times, subject to Jobsplus' discretion. Jobsplus reserves the right to ensure fair access for all applicants.

Eligibility

Q Who can participate in this scheme?

The scheme is open to two groups:

- Trainees: persons aged between 17 (or turning 17 in the same calendar year) and 24 who are not in employment and are enrolled in a post-secondary or higher education programme at the time of application.
- Employers: all employers including self-employed individuals, registered Voluntary Organisations, NGOs, and entities within the public sector.

Q Can non-Maltese nationals participate as trainees?

Yes. EU, EEA, and Swiss nationals and those with freedom of movement are eligible. Other non-Maltese nationals may also participate, provided they can supply valid documents covering the full duration of the placement. These documents are collected as part of the trainee's application. Jobsplus reserves the right to request additional documentation where needed, and any status not listed below will be subject to further assessment.

Status	Documents Required
EU/EEA and Swiss Nationals	Copy of Maltese Residence Permit or Passport and copy of the rental Agreement.
Refugees, Persons with Temporary Humanitarian Protection, & Persons with Subsidiary Protection	Certificate issued by the Refugee Commission
Asylum Seekers & Failed Asylum Seekers	Asylum Seeker Document or Police Card

Long Term Residents	Copy of passport with LTR Sticker
Beneficiaries of Specific Residence Authorisation	Residence Card issued under SRA by Identità
Victims of Trafficking	Residence Permit referencing S.L.217/07
British Nationals	Copy of Residence Permit (Article 18 (1))

Finding a Trainee

Q Can I choose the candidate myself, or does Jobsplus find one for me?

You have both options. If you already have a candidate in mind, you can inform Jobsplus of your choice when applying - they will be subject to an eligibility check following application. Alternatively, Jobsplus can assist you in identifying suitable candidates from its pool of registered student jobseekers.

Q What is the selection process if Jobsplus finds candidates for me?

Once your application is received, Jobsplus will match your request with suitable trainees from its pool. Candidate details will be sent to you by email, and it is entirely up to you how you wish to interview or assess them. Once you have identified your preferred candidate, please communicate your choice to Jobsplus, who will then prepare all the necessary documentation for the placement to begin.

Q Can I place a past employee under the scheme?

Yes, in certain cases. A former employee may be placed with you under the scheme provided they were not made redundant, and the role under the scheme is different from their previous position. Where the job titles are similar or overlapping, the placement occupation must carry a different ISCO code to the past employment.

Q I previously hosted a trainee under the scheme - can I host the same trainee again?

No. A trainee may not be placed with the same Work Exposure Provider (Employer) for a second time. If a trainee wishes to participate in the scheme again, they must do so with a different employer and in a different occupation.

If you are interested in hosting a trainee again, Jobsplus can assist you in finding a new suitable candidate from its pool of registered student jobseekers.

Application & Process

Q What happens after I submit my application?

Your application will be reviewed for eligibility, and we will contact you if any clarification is required. If you already have a prospective trainee in mind, you must still wait for Jobsplus' official confirmation before the placement can commence.

Q What kind of placement opportunities can I offer?

Jobsplus' job catalogue includes over 150 occupations. For summer placements, requests will be accepted for occupations falling under ISCO Major Groups 3, 4, and 5. You are encouraged to review the competences associated with each job title before submitting your application. It is important that the occupations you select are relevant to your economic activity or nature of business.

Q Is there a limit to how many placements I can offer at one time?

The number of placements that can be approved is linked to your existing headcount, to ensure that each trainee receives adequate supervision and mentoring. The final number of placements is at Jobsplus' discretion, and Jobsplus reserves the right to refuse further placements.

Q Do I need to sign a formal agreement?

You cannot enter into any direct agreement with the trainee. Once a placement is confirmed and Jobsplus gives its approval, Jobsplus will issue a formal agreement to be electronically signed by you, the trainee, and a Jobsplus representative.

Duration & Hours

Q How long does the scheme last?

The scheme runs for 200 hours, to be completed over a maximum of 10 weeks. Placements can begin after the trainee has completed their exams and must be finished by the end of September.

Q Is the duration fixed?

Yes, the total of 200 hours is fixed. However, by agreement with the trainee, the placement can be fast-tracked - allowing the trainee to attend up to 40 hours per week and complete the programme in a shorter timeframe.

Q Can trainees be asked to attend on Sundays or public holidays?

Yes. However, trainees who are under 18 at the time of signing the agreement must work daytime shifts only (between 6 a.m. and 10 p.m.) for the entire duration of the placement. Shifts must not exceed 8 hours per day, excluding breaks. Please note that the standard hourly rate applies regardless of whether a trainee works on a Sunday or public holiday - no enhanced rates apply.

Payments & Training Allowance

Q Do I have to pay the trainee?

No. The training allowance is paid directly by Jobsplus - there is no cost to you as an employer. The applicable rates for summer student placements are as follows:

ISCO Group	Hourly Rate
Major Group 3 - Technicians and Associate Professionals	€7.50
Major Group 4 - Clerical Support Workers	€7.50
Major Group 5 - Service and Sales Workers	€7.50

Q Can I pay the trainee bonuses or extra payments?

No. Any additional payments to the trainee, including bonuses or gifts - would constitute employment and will result in the immediate termination of the placement.

Managing the Trainee

Q Do trainees have sick leave or annual leave entitlements?

No. Trainees are not employees, so no engagement form needs to be submitted, and they have no entitlement to sick leave or annual leave. Any hours missed due to illness or absence are simply not counted. Trainees may make up missed hours throughout the scheme, provided they do not exceed 40 hours in any given week (excluding breaks).

Trainees must also be given a break during the working day. The minimum break entitlement depends on the trainee's age at the time of signing the agreement:

- a. At least 30 minutes for every 4.5 hours worked, for trainees under 18.
- b. At least 15 minutes for every 6 hours worked, for trainees aged 18 and over.

Q What equipment or protective clothing must I provide?

Although trainees are not employees, you are still obliged to provide them with the necessary equipment and adequate facilities in line with industry standards - equivalent to what is provided to your employees performing similar duties. All relevant health and safety provisions must be in place to ensure the trainee's safety throughout the placement.

Q Does the trainee need to be covered by insurance?

Yes. You must ensure the trainee is covered by an appropriate form of insurance, such as Third-Party Liability Insurance or Employers' Insurance, for the full duration of the placement.

Q What if the trainee is misbehaving or I need to end the placement early?

If you wish to terminate a placement for any reason, please notify Jobsplus in writing, clearly stating the reason for the early termination.

Administration & Paperwork

Q Is there any paperwork I need to complete for the trainee to be paid?

Yes. You are responsible for maintaining an accurate record of the trainee's attendance and total hours. There are no restrictions on the record-keeping system you use, however Jobsplus reserves the right to request a copy of the attendance record at any point.

Before the placement begins, Jobsplus will send you a link to an online form to be used for submitting the claims for training allowance. Every two weeks, you will need to use this form to tick the days attended and enter the total hours and minutes worked to the nearest 15 minutes. It is your responsibility to submit these claims in a timely manner.

Support

Q What support is available to me as an employer?

If a trainee is vulnerable and requires additional one-to-one support to settle into the working environment, Jobsplus may assign a dedicated job coach. This lightens the supervisory burden on you as the host employer.

For any other queries or ad hoc support during the scheme, please contact Jobsplus directly on 22201610 or trainingschemes.jobsplus@gov.mt.
