PRESS RELEASE 31st July 2025

Inspections in Paceville and St Julian's

Over the past days, Jobsplus, in collaboration with the Police Force, Identità, and with support from the Detention Services Agency, conducted a series of inspections in Paceville.

These inspections targeted individuals selling tickets for events, clubs, and other establishments in the area, which is well known for its nightlife and entertainment activities.

During inspections carried out on 25 July 2025, 20 Italian nationals were questioned. They were allegedly employed by two different operators. Preliminary investigations revealed that these individuals were employed by the operators without the legally required registration.

Further inspections conducted between Saturday 26 and Sunday 27 July uncovered 13 individuals working without the legally required registration, along with three third-country nationals (TCNs) working without the necessary permits.

Jobsplus has taken concrete action by issuing fines and initiating legal proceedings against those found in violation of employment laws. The agency remains committed to strengthening enforcement through continued collaboration with the relevant authorities.
