

## Application for Training Service Providers

Jobsplus is in the process of building a catalogue of training programmes that are offered by training service providers that are licensed by the Malta Further and Higher Education Authority (MFHEA) or self-accredited bodies. If you are interested in marketing your courses through Jobsplus' catalogue, kindly fill in this application.

Your proposed training programme needs to satisfy the below criteria:

- Training Programme is not offered by Jobsplus;
- Training Programme is accredited and pegged up to MQF level 5;
- Training Programme is an award pegged at MQF level 6 or 7;
- Course is not accredited but is industry recognised and is related to Aviation, Maritime and ICT sectors.

Kindly note that stand-alone modules or awards that form part of a full qualification cannot be accepted.
