

7<sup>th</sup> January 2016

Quotation No: ETC/CS/Q/41/15

Title: The Provision of Metal Beams & Maintenance to Glass Sealer at the ETC Training Division premises, Hal Far

### CLARIFICATION NOTE 1

---

*Question 1:*

Would it be possible to upload relevant drawings or photos? And if not would it be possible for a site visit?

Answer 1:

**In order for interested Bidders to provide an accurate quote, a site visit is to be carried out by the respective bidders as per *Form C BOQ Item 1* which states '*exact measurements are to be measured by the Contractor who must visit site prior to filing up the BOQ*'.**

**Consequently, interested Bidders are invited to come at their own initiative at the ETC Training Division Complex, Hal Far to take all the necessary measurements that may be required.**

**Opening hours are from:**

**Monday to Friday from 8.30am till 12.30pm and 13.30pm till 15.00pm**

*Please be guided accordingly.*
